---

Light Turner finds a supernatural notepad and uses it to measure death, attracting the attention of a detective, a demon, and a girl in his class. This notebook is the key to a resurrected and destroyed angel, to the fight against vampires and, perhaps, to death itself. But not everything is as simple as it seems, and Light Sr. will have to face the demons and angels that seem to haunt him, with new mysteries and secrets. His life is made even more complicated when Light Sr. becomes obsessed with the angel he killed and still seems to be trying to get her back. He sits on the porch of his house, in his favorite rocking chair, and reads a book.
