A: I downloaded a trial version from Microsoft, then I followed the instructions and registered my trial version on Autodesk website and activated it and install the software. I registered the trial version which is automatically expired after 14 days of activation. BBSs as a source of economic and social information. As the history of the Internet has shown, good quality information is what keeps the web alive and expanding. BBSes now offer much more content than just, well, computer games and porn, and from government agencies to political groups to academics and professionals, just about anyone can find quality information from a variety of sources on their local BBS. Certainly it would be a mistake to underestimate the importance of social networks to many, but BBSes still remain an important source of information and interaction. Most of all, it is an incredible creative outlet for those who enjoy sharing knowledge and interact with people from all over the world. 3. BBSs are the birthplace of Internet humor and culture. The multiple offerings of many BBSes, ranging from games to message boards to virtual communities, created the perfect environment for Internet humor and culture to develop. Humor started as a necessity: people got tired of the oftentimes heavy discussions and politics on BBSes, so a lighthearted Internet humor began to take off. And it has only continued to thrive on the Internet since. The best Internet humor today doesn't begin or end with great graphic design, but it is often centered around some clever ASCII. And most of it can be found on BBSes. It's funny that some of the earliest web-based humor online still comes from the world of BBSes, from ASCII art to Jokes, and of course, Trope and Theory lists. In part because of BBSes, the Internet is home to a
