Roblox was launched in December 2005, and is owned by its lead developer, David Baszucki, and co-founder, Erik Cassel. Roblox is an online platform where users can make games and play games on the site. Created in 2004 by David Baszucki and Erik Cassel, the Roblox platform allowed users to create and interact with each other through the game worlds in the site. Roblox launched as an iOS and Android app in October 2006, and then onto the web a year later. Roblox 2.0 was developed in 2009 by Baszucki and Cassel in partnership with Shaban Shaame, and introduced the "ROBLOX Studio" application. This application allowed users to build their own games directly on the website, and featured a reward program where developers were granted Robux. With this Robux, the developers could host their games on the site free of charge, use official content, and have their games played by other users. Roblox's growth has been accelerated by the COVID-19 pandemic. As of August 2020, Roblox had over 164 million monthly active users, including more than half of all American children under 16. Although Roblox has received generally positive reviews from critics, it has faced criticism for its moderation, microtransactions, and exploitative practices directed toward children. Is it ever possible to use these kind of tools to actually get free robux or unlock items? A: When you download any type of program, you need to be careful. There are free robux generators out there, but they are very risky to play with. I would suggest using them on your own time, as the risk of them deleting your game is too great. Before you download any tools, ensure that it is not for your own use. If you are doing this for any other purpose, you should ask yourself why. If you don't trust them, why not find a different solution instead. There is also a completely different way you can get free robux, we will get to that. What's the problem with making fake accounts? You are expected to play with an account that you own. You could create a new account with free robux on it, but you could have your current game deleted by a tool, so this is not really feasible. I like it. If it is good, then why do you need to ask? If it doesn't work, just move on to the next. Who are you? I'm just a Roblox player who enjoys playing games on the Roblox. I'm not any type of Roblox employee or anyone else. I don't know what you are talking about. We do not own anything, why would we, at least I do not. We do not ask for any type of robux to have, why would we. You are a hacker. No, I'm just a Roblox player. Click more to see if more Roblox users are following. This tool is used on all games. So you are saying that people who are making their own game are using it on them selves? This is possible, but you shouldn't have to be doing so. You think I'm a criminal? No, but I'm not a fool. You can't see the red box on the left? The force you to be a Roblox user. The red box on the left shows that the owner of the tool, has their privacy settings on. I don't like seeing this. This tool is about finding a way to get free robux on Roblox.
